Francois Boulou

Web Developer

Salt Lake City, Utah

Summary

I'm a self-taught web developer who wants to make a positive impact. I'm interested in projects that empower communities and individuals.

Experience

Self-Employed

Software Programmer

November 2018 - Present

Greater Salt Lake City Area

- Ruby's Vintage (Lonnie McCulloch, Owner, 435.760.4425, 2019)

NEW ALTERNATIVES, INC.

Behavior Specialist

February 2017 - November 2018 (1 year 10 months)

Greater San Diego Area

Worked alongside a comprehensive mental health team to provide behavioral support to at-risk youth and their families. Key to my success in this role was the implementation of behavior analysis, incremental change theories, and development of targeted interventions based on understanding of root causes of clients' maladaptive tendencies.

Outside In

Clinic Support Specialist

September 2014 - November 2016 (2 years 3 months)

Portland, Oregon Area

Implemented a high degree of emotional intelligence and conflict resolution skills while delivering accessible, and effective medical care. Proficiency in the use of software-driven solutions dealing with scheduling and data management were key to my success in this role.
